ABOUT ME

Motivated and curious third-year CSIT student with a growing enthusiasm for DevOps and Cloud Engineering. Passionate about building scalable systems, automating workflows, and working with modern infrastructure tools. Currently pursuing a BSc.CSIT under Tribhuvan University, brings a balance of creativity and technical curiosity, blending love for content creation and visual design with hands-on coding. Seeking an internship or entry-level position to apply and enhance skills in a collaborative, real-world environment while building practical knowledge in system deployment, cloud platforms, and CI/CD workflows.

SKILLS

Python

CSS

MySQL

Git & GitHub
